RE: Draft Report

Enclosed please find the draft report that will serve as the basis for our discussions on September 19 in Missoula. I look forward to having the time to go over this document in detail with all of you. I also appreciate the time that many of you have put in to helping me with assembling the information used in the report.

You will note that this is a draft, with a couple of areas remaining to be fleshed out. Areas such as final edits and formatting are still yet to be completed, but will be taken care of before the final report is complete.

I look forward to seeing all of you on the 19th.
